

“Going Wild in Your Backyard”

Thank you, sponsors!

The Piedmont Environmental Council’s Sustainable Habitat Program Manager, James Barnes, is available to provide free land management advice. James can provide technical assistance on topics like grassland bird habitat, pollinator gardens, invasive species, backyard habitat, Best Management Practices for farmers, and much more.

For more info contact Jbarnes@pecva.org, 540-347-2334 ext. 30
