

OLD RAG MASTER NATURALIST PROGRAM
PROJECT PROPOSAL FORM

ORMN members, we recommend that you review the following documents: 1) ORMN Projects, 2) Responsibilities of ORMN Project/Activity Contact and 3) ORMN Project Approval Guidelines before submitting this Project Proposal Form.

Projects and activities implemented without approval are not considered Master Naturalist activities, do not count towards volunteer service hours, may not be accumulated or reported on VMN-VMS and do not carry the liability shield.

Contact the ORMN Projects Committee chair if you have any questions.

A. Project Name (may be modified by Projects Committee):

Submitted By:

Phone and Email Contact:

You will automatically become the ORMN contact if the proposal is approved.

B. Organization Information

What organization coordinates or utilizes the volunteer service being proposed for approval?

- If the organization is already listed on the Projects page of the ORMN website: Who within the organization supervises the volunteer service? Include contact information.

Now skip ahead to question C.

- If ORMN is not already collaborating with the organization, describe the organization, its background and goals and how the organization relates to managing, conserving or educating the public about Virginia's natural resources. Include the organization's website address and physical access.

Who within the organization supervises the volunteer service?
Include contact information.

C. Project/Activity Information:

What type of volunteer service is involved? (*Education, Citizen Science or Stewardship?*)

*Please answer the following questions for **each type** (ED, CD, ST) of volunteer service that will be performed, (Expand the sections by entering text or attach additional pages, as necessary.)*

For Projects Committee Only: Project approved? YES/NO Date of approval:
